Republican

**VOLUNTEER FOR  
PRESIDENT BUSH**

# How to Volunteer for the President: Six Ways to Decimate Liberal Trash!

**There are many different ways to help.** Below are six requirements that must be fulfilled to become eligible for a government appointment in President Bush's second term.

### 1. Recruit 5 New Volunteers

Relentlessly badger family, neighbors, anyone and everyone you see. If you own a business, institute a policy that makes supporting President Bush mandatory for all your employees.

### 2. Hold a Fund-Raiser

Rally your community's conservative base with an exciting, yet wholesome vigilante event – like burning a homosexual in effigy, or stoning a teenaged Planned Parenthood patron!

### 3. Write Letters to the Editor and Call Talk Radio Shows

Use the Media Action Center at [www.georgewbush.org](http://www.georgewbush.org) to bombard menorah-lighting "journalists" with on-message proof of our Godly President's utter perfection!

### 4. Sabotage the Opposition

Infiltrate terrorist breeding grounds like MoveOn.org conferences and Democratic Meetups, and surreptitiously distribute panic-inducing Ralph Nader literature!

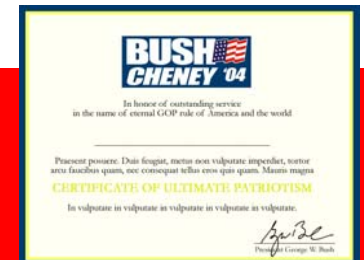

### 5. Vandalize John Kerry Materials

Scour your town for John Kerry posters, banners, bumper stickers, and yard signs, and scrawl profanity on them – or better yet, slash them to ribbons with box cutters!

### 6. Frame a Black Person for a Felony

Convicts can't vote, and since coloreds vote for Democrats when they're not committing crimes, why not expedite their inevitable incarceration with some convincing planted evidence?

*Complete all six and become a "Bush Marauder": you'll receive a Certificate of Ultimate Patriotism signed by the President!*

# Be a Bush Volunteer!

Sign up today as a Bush Volunteer, and you'll become a blessed cog in the wheel of the mightiest crusade ever to pro-actively trigger the apocalypse. You'll also receive valuable campaign mementos, insider stock tips, "too hot for TV" Arab torture photos, and delicious endangered species recipes!

## Yes, President Bush, I'll do ANYTHING to see you re-selected!
